The Debtors' corporate headquarters is located at One Stamford Forum, 201 Tresser Boulevard, Stamford, CT 06901.

The Official Committee of Unsecured Creditors (the “Committee”), appointed on September 27, 2019 [D.I. 131] in the above-captioned chapter 11 cases (the “Cases”) of the above-captioned debtors (collectively, the “Debtors”), hereby submits this application (the “Application”), pursuant to sections 328(a), 330, and 1103(a) of title 11 of the United States Code, §§ 101–1532 (as amended, the “Bankruptcy Code”), Rule 2014 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Rule 2014-1 of the Local Bankruptcy Rules for the Southern District of New York (the “Local Rules”), for entry of an order (the “Order”), substantially in the form attached hereto as Exhibit A, authorizing the Committee to retain and employ Bayard, P.A. (“Bayard”) as its co-counsel in connection with the Debtors’ chapter 11 cases, effective *nunc pro tunc* to September 29, 2019. The Declaration of Justin R. Alberto in support of this Application is attached hereto as Exhibit B (the “Alberto Declaration”). The Declaration of Brendan Stuhan in support of this Application is attached hereto as Exhibit C (the “Stuhan Declaration”). In further support of this Application, the Committee respectfully represents as follows:

JURISDICTION AND VENUE

1. The Court has jurisdiction over this Application pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).
2. Venue in this Court is proper pursuant to 28 U.S.C. §§ 1408 and 1409.
3. The statutory predicates for the relief sought herein are sections 328, 330, and 1103 of the Bankruptcy Code, Bankruptcy Rule 2014, and Local Rule 2014-1.

BACKGROUND

4. On September 15, 2019 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under the Bankruptcy Code in the United States Bankruptcy Court

for the Southern District of New York (the “Court”). The Debtors’ chapter 11 cases are jointly administered under Case No. 19-23649 (RDD).

5. The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in these cases.

6. On September 26, 2019, the U.S. Trustee appointed a committee of unsecured creditors pursuant to Bankruptcy Code section 1102(a)(1). The U.S. Trustee constituted the Committee to comprise the following members: Blue Cross and Blue Shield Association; CVS Caremark Part D Services, L.L.C. and Caremark PCS Health, L.L.C.; Cheryl Juare; Kara Trainor; LTS Lohmann Therapy Systems Corporation; Pension Benefit Guaranty Corporation; Ryan Hampton; Walter Lee Salmons; and West Boca Medical Center.³ Thereafter, the Committee selected Akin Gump Strauss Hauer & Feld (“Akin Gump”) to serve as its primary counsel, Bayard to serve as its efficiency counsel and Province, Inc. to serve as its financial advisor. On October 4, 2019, the Committee selected Jefferies to serve as its investment banker.

7. Thereafter, the Committee held a meeting and, subject to this Court’s approval, selected Akin Gump Strauss Hauer & Feld LLP (“Akin Gump”) as its proposed counsel, and Bayard as its proposed efficiency counsel, and Province, Inc. (“Province”) as its proposed financial advisor in these cases.

³ On October 9, 2019, the Committee received a letter from counsel to the Multi-State Group requesting the opportunity to join the Committee in an *ex officio* capacity. After careful consideration, on October 21, 2019, the Committee determined to grant the Multi-State Group’s request to appoint an *ex officio* member to the Committee. On October 30, 2019, the Multi-State Group filed the *Verified Statement of the Multi-State Governmental Entities Group Pursuant to Rule 2019 of the Federal Rules of Bankruptcy Procedure* [ECF No. 409] disclosing the identity of each member of such group. For the avoidance of doubt, the Ex Officio Member is a non-voting member of the Committee and does not owe fiduciary duties to unsecured creditors as a result of its *ex officio* seat on the Committee.

RELIEF REQUESTED

8. By this Application, and pursuant to sections 328, 330, and 1103 of the Bankruptcy Code, the Committee respectfully requests the entry of an order approving the employment and retention of Bayard as its efficiency counsel to perform the services described more thoroughly herein in connection with these Cases, *nunc pro tunc* to September 29, 2019.

BASIS FOR RELIEF

9. Section 328(a) of the Bankruptcy Code empowers a committee appointed under section 1102 of the Bankruptcy Code to employ attorneys under section 1103 of the Bankruptcy Code under any reasonable terms and conditions with the Court's approval. 11 U.S.C. § 328(a). Pursuant to section 1103(b) of the Bankruptcy Code, an attorney employed to represent a committee may not, while employed by such committee, represent any other entity having an adverse interest in connection with the case. 11 U.S.C. § 1103(b). For the reasons that follow, the Committee respectfully submits that Bayard is appropriately eligible and capable to serve as its co-counsel in these cases.

A. Bayard's Eligibility to Serve as Co-Counsel Under Section 1103

10. In connection with its proposed retention by the Committee in these cases, Bayard researched its computer client database to determine whether it has any relationships with any of the entities in the categories on the "Conflicts Check List" attached to the Alberto Declaration. Bayard's conflict database includes the names of: (i) current and former clients and, where practical, the known affiliates of those clients; (ii) current and former adverse parties; and (iii) certain current and former related parties in matters upon which Bayard has been or is currently engaged.

11. Bayard maintains and systematically updates its conflict check system in the regular course of its business, and it is the regular practice of Bayard to make and maintain these records. It is the policy of Bayard that no new matter be accepted or opened within the firm without completing and submitting to those charged with maintaining the conflict check system the information necessary to check each such matter for conflicts, including the identity of the prospective client, the matter, and the related adverse parties. Accordingly, it is Bayard's regular practice to update its database for every new matter undertaken by Bayard.

12. Moreover, through a firm-wide email, Bayard solicited information from its attorneys to determine whether any attorneys employed by Bayard are related to any of the Bankruptcy Judges in this District, the U.S. Trustee for Region 2, or any attorney known by Bayard to be employed in the New York Office of the U.S. Trustee. Bayard also solicited information from its attorneys to determine if any attorneys employed by Bayard (i) are investors of any of the Debtors, or (ii) were, within two years of the Petition Date, a director, officer, or employee of any of the Debtors. No such connections were discovered.

13. To the best of the Committee's knowledge, based upon the Alberto Declaration, and except as otherwise set forth herein and the Alberto Declaration: (i) Bayard does not hold or represent any interest adverse to the Debtors or their chapter 11 estates, their creditors, or any other party in interest in connection with these cases, and (ii) neither Bayard nor any of its directors or associates has had or presently have any connections with the Debtors or any other party listed on the Conflicts Check List attached to the Alberto Declaration. Bayard is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code, and neither represents nor holds an interest adverse to the interests of the Committee, the Debtors, or

their estates with respect to the matters on which Bayard is to be employed.⁴ Finally, Bayard will not, while employed by the Committee, represent any other entity having an adverse interest in connection with these cases.

14. Bayard advised the Committee that Bayard and certain of its directors and associates may have in the past represented or opposed, may currently represent or oppose, and may in the future represent or oppose, in matters wholly unrelated to the Debtors, parties in interest in these cases. Bayard has not (except as disclosed in the Alberto Declaration) and will not represent any such parties or any of their affiliates or subsidiaries in relation to the Committee, the Debtors, or these chapter 11 cases.

15. Bayard has further advised the Committee that it appears in many cases, proceedings, and transactions involving many different attorneys, counsel, accountants, financial consultants, and investment bankers, some of which now or may in the future represent parties in interest in these cases. Bayard has not and will not represent any such entities in relation to the Debtors' cases, and Bayard does not have any relationship with any such entities that would be adverse to the Committee or its interests in the matters upon which Bayard is to be employed. For the avoidance of doubt, Bayard will not represent any entity other than the Committee in connection with the Debtors' chapter 11 cases. Bayard may, however, represent a successor in interest to the Committee if one is formed or appointed.

16. To the extent that Bayard discovers any connections with any interested party or enters into any new relationships with any interested party, the Committee understands that Bayard will promptly supplement its disclosures to the Court.

⁴ Section 1103(b) of the Bankruptcy Code provides that proposed counsel to an official committee of unsecured creditors may not represent any other entity having an adverse interest in connection with the cases. Bayard has made this disclosure with respect to its disinterestedness out of an abundance of caution and to the extent required by section 328(c) of the Bankruptcy Code.

17. The Committee therefore respectfully submits that Bayard satisfies the applicable standards to represent the Committee as co-counsel in the Debtors' chapter 11 cases.

B. Bayard's Qualifications

18. The Committee selected Bayard because of its attorneys' experience and knowledge and because of the absence of any conflict of interest. Bayard is particularly well suited for the type of representation that the Committee requires because of Bayard's substantial experience representing committees and other interested parties in complex bankruptcy cases. Bayard's recent experience representing creditors' committees in other large chapter 11 bankruptcy cases includes: Insys Therapeutics, Inc.; Sugarfina, Inc.; Mishti Holdings, LLC; Hospital Acquisition LLC; LBI Media, Inc.; Claire's Stores, Inc.; Mac Acquisition LLC; Bertucci's Holdings, Inc.; Marsh Supermarkets Holdings, LLC; American Apparel, LLC; and Pacific Sunwear of California, Inc.

19. The Committee has determined that Bayard has the resources and experience necessary to assist Akin Gump and deal effectively with many of the potential legal issues that may arise in the context of the Debtors' chapter 11 cases. Further, Bayard's participation and assistance in these Cases will be efficient and cost-effective for the Debtors' estates. The Committee therefore believes that Bayard's employment as co-counsel with Akin Gump is in the best interest of the Debtors, their estates, and their constituents and desires that Bayard represent it as co-counsel in connection with these cases.

C. Bayard's Scope of Employment as Co-Counsel to the Committee

20. To specifically disclose the division of labor and to avoid unnecessary duplication of services, subject to the Court's approval of the Application, Akin Gump and Bayard have held organizational meetings to discuss the appropriate scope of services of both firms and have

developed a working plan to ensure that there is no duplication of services rendered on behalf of the Committee.

21. The services Bayard has rendered and may be required to render for the Committee include, without limitation, the following:

- (a) in conjunction with Akin Gump, providing legal advice where necessary with respect to the Committee's powers and duties and strategic advice on how to accomplish the Committee's goals;
- (b) in conjunction with Akin Gump, assist and advise the Committee in its consultations and negotiations with the Debtors and the U.S. Trustee relative to the administration of the Debtors' chapter 11 cases;
- (c) drafting, revising, and commenting on documents as requested by Akin Gump and the Committee;
- (d) assisting Akin Gump, Province, and the Committee in analyzing the claims of the Debtors' creditors and the Debtors' capital structure and in negotiating with holders of claims and equity interests;
- (e) assisting Akin Gump and Committee in its investigation of the acts, conduct, assets, liabilities, and financial condition of the Debtors and their insiders and of the operation of the Debtors' businesses;
- (f) assisting Akin Gump and the Committee in its analysis of, and negotiations with, the Debtors or any third party concerning matters related to, among other things, the assumption or rejection of certain leases of non-residential real property and executory contracts, asset dispositions, financing of other transactions, and the terms of one or more plans of reorganization for the Debtors and accompanying disclosure statements and related plan documents;
- (g) in conjunction with Akin Gump, advising the Committee as to its communications to the general creditor body regarding significant matters in the Chapter 11 Cases;
- (h) in conjunction with Akin Gump, reviewing and analyzing applications, orders, statements of operations and schedules filed with the Court and advise the Committee as to their propriety and, to the extent deemed appropriate by the Committee, support, join, or object thereto;
- (i) in conjunction with Akin Gump, advising and assisting the Committee with respect to any legislative, regulatory or governmental activities;

- (j) in conjunction with Akin Gump, assisting the Committee in its review and analysis of all of the Debtors' various agreements;
- (k) in conjunction with Akin Gump, investigating and analyze any claims against the Debtors' non-debtor affiliates;
- (l) together with Akin Gump and to the extent necessary, appearing in Court and at any meetings of creditors on behalf of the Committee;
- (m) monitoring the case docket and coordinating with Akin Gump and Province on matters impacting the Committee;
- (n) participating in calls with the Committee;
- (o) handling inquiries and calls from creditors and counsel to interested parties regarding pending matters and the general status of these cases and coordinating with Akin Gump on any necessary responses; and
- (p) providing additional support to Akin Gump, Province, and the Committee, as requested.

The services described in this paragraph are designed to limit any unnecessary duplication of services with Akin Gump and the Committee's other professionals. To the extent that Bayard is assigned by the Committee, in consultation with Akin Gump, to perform additional services requested by the Committee that may be necessary and proper in these proceedings and that differ materially from the above-described services, Bayard will file a supplemental declaration in accordance with Bankruptcy Rule 2014 disclosing both the nature of its expanded employment and the reasons supporting its additional duties and responsibilities.

D. Bayard's Professional Compensation

22. Section 328(a) of the Bankruptcy Code authorizes the employment of a professional person on any reasonable terms and conditions of employment, including on an hourly basis. 11 U.S.C. § 328(a). Subject to this Court's approval and in accordance with section 330(a) of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules, the

Committee requests that Bayard be compensated on an hourly basis for the work it performs, plus reimbursement of the actual and necessary expenses that Bayard incurs.

23. Bayard has advised the Committee that its ordinary hourly rates range from \$500 to \$1,050 per hour for directors, from \$315 to \$450 per hour for associates, and from \$240 to \$295 per hour for paraprofessionals. The primary attorneys and paralegal that will work on this representation and their respective hourly rates are included in the following chart.

<u>Professional</u>	<u>Current Rate</u>
Justin R. Alberto	\$525 per hour
Erin R. Fay	\$500 per hour
Daniel N. Brogan	\$450 per hour
Gregory J. Flasser	\$375 per hour
Sophie E. Macon	\$350 per hour
Erin Hendry (paralegal)	\$265 per hour

Other attorneys and paralegals will render services to the Committee as needed.

24. The ranges of hourly rates set forth above are Bayard's standard hourly rates for work of this nature. These rates are set at a level designed to fairly compensate Bayard for the work of its attorneys and paralegals, to cover fixed and routine overhead expenses, and are subject to periodic adjustment to reflect economic and other conditions. Bayard has advised the Committee, and the Committee understands, that the hourly rates set forth above are subject to periodic adjustments. Bayard will advise the Committee of any rate increases once they are established and when any other rate change becomes effective during the course of Bayard's engagement.

25. In addition to the hourly billing rates set forth above, Bayard customarily charges its clients for all costs and expenses incurred, including telephone and telecopier charges, mail and express mail charges, hand delivery charges, document processing, photocopying and print copy charges, travel expenses, expenses for “working meals,” computerized research, and transcription costs. Bayard has advised the Committee that it will charge such costs and expenses in accordance, and only to the extent consistent, with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any applicable U.S. Trustee guidelines.

26. Bayard did not receive any retainer from the Debtors, the Committee, or any other entity in these cases. Other than as set forth herein, there is no proposed arrangement to compensate Bayard. Bayard has not shared or agreed to share (a) any compensation it has received or may receive with any other party or person, other than with the partners and associates of Bayard, or (b) any compensation another person or party has received or may receive. Bayard has advised the Committee that it intends to apply to the Court for compensation and reimbursement of expenses in accordance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, any order entered in these cases governing the compensation of professionals, and any applicable U.S. Trustee guidelines.

27. The Committee believes the compensation arrangements with Bayard are consistent with and typical of arrangements entered by Bayard and other law firms with respect to rendering similar services for clients such as the Committee. The Committee, therefore, respectfully requests entry of an order, substantially in the form submitted herewith, authorizing the retention and employment of Bayard as co-counsel to the Committee.

28. By separate application, the Committee is seeking approval to employ Akin Gump as counsel to the Committee. The Committee believes that if its applications to employ

Akin Gump and Bayard are approved by the Court, these firms have allocated and will allocate their delivery of services to the Committee so as to limit unnecessary duplication of services. It is the carefully considered view of the Committee that, considering the complexity of these cases, the timing of the Committee's appointment, the pace of these cases, and the various interests involved, representation of the Committee by Akin Gump and Bayard is necessary, advisable, and in the best interests of the Committee and the Debtors' estates.

NUNC PRO TUNC RELIEF

29. The Committee believes that the employment of Bayard *nunc pro tunc* to September 29, 2019 is warranted under the circumstances of these Cases. Bayard has provided, and will continue to provide, valuable services to the Committee regarding the contemplated restructuring transactions. Due to the size and complex nature of these chapter 11 cases, as well as the significant relief sought by the Debtors during the early stages of these chapter 11 cases, there was an immediate need for Bayard to perform services for the Committee upon its retention. *See, e.g., F/S Airlease II, Inc. v. Simon (In re F/S Airlease II, Inc.)*, 844 F.2d 99, 105 (3d Cir. 1988), *cert. denied*, 488 U.S. 852 (1988); *Indian River Homes, Inc. v. Sussex Tr. Co.*, 108 B.R. 46, 51 (D. Del. 1989).

NO PRIOR REQUEST

30. No prior request for the relief sought herein has been made to this Court or any other court.

NOTICE

31. Notice of this Application will be provided to parties in interest in accordance with the *Amended Order Establishing Certain Notice, Case Management, and Administrative Procedures*, dated as of October 24, 2019 [ECF No. 342]. The Committee submits that, under

the circumstances, no other or further notice is required. The Committee submits that, under the circumstances, no other or further notice is required.

WHEREFORE, the Committee respectfully requests that the Court enter an order substantially in the form submitted herewith and grant such other and further relief as is just and proper.

**DECLARATION OF JUSTIN R. ALBERTO IN SUPPORT OF APPLICATION OF THE
OFFICIAL COMMITTEE OF UNSECURED CREDITORS FOR ENTRY OF AN
ORDER AUTHORIZING RETENTION AND EMPLOYMENT OF BAYARD,
P.A. AS EFFICIENCY COUNSEL TO THE OFFICIAL COMMITTEE OF
UNSECURED CREDITORS, *NUNC PRO TUNC* TO SEPTEMBER 29, 2019**

I, Justin R. Alberto, hereby declare, pursuant to 28 U.S.C. § 1746, under penalty of perjury as follows:

1. I am a Director at Bayard, P.A. (“Bayard”), which maintains offices for the practice of law at 600 N. King Street, Suite 400, Wilmington, Delaware 19801. I am an attorney-at-law, duly admitted and in good standing to practice in the State of Delaware and the United States District Court for the District of Delaware.

2. I submit this declaration in connection with the application (the “Application”) of the Official Committee of Unsecured Creditors (the “Committee”) appointed in the chapter 11 cases of the above-captioned debtors (collectively, the “Debtors”) for an order approving the retention of Bayard as efficiency counsel to the Committee, *nunc pro tunc* to September 29, 2019, and to provide the disclosures required under section 1103 of title 11 of the United States

¹ The Debtors in these cases, along with the last four digits of each Debtor’s registration number in the applicable jurisdiction, are as follows: Purdue Pharma L.P. (7484), Purdue Pharma Inc. (7486), Purdue Transdermal Technologies L.P. (1868), Purdue Pharma Manufacturing L.P. (3821), Purdue Pharmaceuticals L.P. (0034), Imbrium Therapeutics L.P. (8810), Adlon Therapeutics L.P. (6745), Greenfield BioVentures L.P. (6150), Seven Seas Hill Corp. (4591), Ophir Green Corp. (4594), Purdue Pharma of Puerto Rico (3925), Avrio Health L.P. (4140), Purdue Pharmaceutical Products L.P. (3902), Purdue Neuroscience Company (4712), Nayatt Cove Lifescience Inc. (7805), Button Land L.P. (7502), Rhodes Associates L.P. (N/A), Paul Land Inc. (7425), Quidnick Land L.P. (7584), Rhodes Pharmaceuticals L.P. (6166), Rhodes Technologies (7143), UDF L.P. (0495), SVC Pharma L.P. (5717) and SVC Pharma Inc. (4014). The Debtors’ corporate headquarters is located at One Stamford Forum, 201 Tresser Boulevard, Stamford, CT 06901.

Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), Rules 2014, 2016(a), and 5002 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Rule 2014-1 of the Local Bankruptcy Rules for the Southern District of New York (the “Local Rules”).

3. All terms not otherwise defined herein have the meanings ascribed to them in the Application. Except as otherwise indicated herein, I have personal knowledge of the matters set forth herein and, if called as a witness, would testify competently thereto. To the extent that any information disclosed herein requires amendment or modification upon Bayard’s completion of further analysis or as additional information becomes available to Bayard, a supplemental declaration will be submitted to the Court.

4. In preparing this affidavit and the Application, we have used a set of procedures established by Bayard to ensure compliance with the requirements of the Bankruptcy Code and the Bankruptcy Rules regarding retention of professionals by an official committee under the Bankruptcy Code. In that regard, Bayard requested and obtained a list of names and entities who may be parties in interest in these chapter 11 cases. A list of those parties is attached hereto as Schedule A (the “Conflicts Check List”).

5. In connection with its proposed retention by the Committee in these cases, Bayard researched its computer client database to determine whether it has any relationships with any of the entities in the categories on the Conflicts Check List. Bayard’s conflict database includes the names of: (i) current and former clients and, where practical, the known affiliates of those clients; (ii) current and former adverse parties; and (iii) certain current and former related parties in matters upon which Bayard has been or is currently engaged.

6. Bayard maintains and systematically updates its conflict check system in the regular course of its business, and it is the regular practice of Bayard to make and maintain these

records. It is the policy of Bayard that no new matter be accepted or opened within the firm without completing and submitting to those charged with maintaining the conflict check system the information necessary to check each such matter for conflicts, including the identity of the prospective client, the matter, and the related and adverse parties. Accordingly, it is Bayard's regular practice to update its database for every new matter undertaken by Bayard.

7. Moreover, through a firm-wide email, Bayard solicited information from its attorneys to determine whether any attorneys employed by Bayard are related to any of the Bankruptcy Judges in this District, the Office of the United States Trustee for Region 2 (the "U.S. Trustee"), or any attorney known by Bayard to be employed in the New York Office of the U.S. Trustee. Bayard also solicited information from its attorneys to determine if any attorneys employed by Bayard (i) are investors of any of the Debtors, or (ii) were, within two years of the Petition Date, a director, officer, or employee of any of the Debtors. No such connections were discovered. If any information relevant to the Application is received after the date hereof, I will promptly supplement this Declaration with such information.

8. Insofar as I have been able to ascertain, neither I, Bayard, nor any director or associate at Bayard, represent or have any connection with any of the parties in interest listed on Schedule A, except as otherwise disclosed in Schedule B² attached hereto. Bayard is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code, and neither represents nor holds an interest adverse to the interests of the Committee, the Debtors, or the Debtors' estates with respect to the matters on which Bayard is to be employed.³ Finally,

² Schedule B includes entities, or affiliates of the entities, that Bayard either currently represents or formerly represented on matters unrelated to these cases hereto since September 29, 2016. Bayard's conflict check system covers a period of time prior to September 29, 2016; however as a matter of practice, Bayard has not listed on Schedule B former clients for such prior period (consistent with a disinterestedness timeframe of two to three years).

³ Section 1103(b) of the Bankruptcy Code provides that proposed counsel to an official committee of unsecured creditors may not represent any other entity having an adverse interest in connection with the cases. I make this

Bayard will not, while employed by the Committee, represent any other entity having an adverse interest in connection with these cases.

9. Bayard and certain of its directors and associates may have in the past represented or opposed, may currently represent or oppose, and may in the future represent or oppose, parties in interest in these cases. I do not believe that any such matter has been or is currently a major engagement that, alone or in the aggregate with other engagements for the same entity, involved or currently involves the billing of fees in excess of 1% of Bayard's annual fees billed.

10. As part of its practice, Bayard appears in many cases, proceedings, and transactions involving many different attorneys, counsel, accountants, financial consultants, and investment bankers, some of which now or in the future may represent claimants and parties in interest in these cases. I have advised the Committee that Bayard has not and will not represent any such entities in relation to the Debtors' chapter 11 cases and that Bayard does not have any relationship with any such entities that would be adverse to the Committee or its interests in the matters upon which Bayard is to be employed.

11. If Bayard discovers any information that is contrary to or pertinent to the statements made herein, Bayard will promptly disclose such information to the Court by filing and serving a supplemental declaration. To the extent that Bayard discovers any connection with any interested party or enters any new relationship with any interested party, Bayard will promptly supplement its disclosure to the Court.

12. It is my understanding that the Committee has selected the law firm of Akin Gump Strauss Hauer & Feld LLP ("Akin Gump") as its co-counsel. Bayard has and will

disclosure with respect to Bayard's disinterestedness out of an abundance of caution and to the extent required by section 328(c) of the Bankruptcy Code.

continue to work closely with Akin Gump to avoid unnecessary duplication of services performed for or charged to the Debtors' estates.

13. Bayard intends to apply to the Court for compensation and reimbursement of expenses in accordance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, any order entered in these cases governing the compensation of professionals, and any applicable U.S. Trustee guidelines.

14. Bayard will seek compensation on an hourly basis for the services it renders, plus reimbursement of actual and necessary expenses and other charges that it incurs. Attorneys and paraprofessionals of Bayard bill their time in one-tenth hour increments. Bayard has advised the Committee that Bayard's standard hourly rates range from \$500 to \$1,050 per hour for directors, from \$315 to \$450 per hour for associates, and from \$240 to \$295 per hour for paraprofessionals. The primary attorneys and paralegal that will work on this representation and their respective hourly rates are included in the following chart.

<u>Professional</u>	<u>Current Rate</u>
Justin R. Alberto	\$525 per hour
Erin R. Fay	\$500 per hour
Daniel N. Brogan	\$450 per hour
Gregory J. Flasser	\$375 per hour
Sophie E. Macon	\$350 per hour
Erin Hendry	\$265 per hour

Other attorneys and paralegals will render services to the Committee as needed.

15. The hourly rates set forth in the ranges disclosed above are Bayard's standard hourly rates for work of this nature both inside and outside of the bankruptcy context.⁴

16. The rates listed in the Application and this Declaration are set at a level designed to fairly compensate Bayard for the work of its attorneys and paralegals and to cover fixed and routine overhead expenses. Accordingly, such rates are subject to periodic adjustments to reflect economic and other conditions. Bayard has advised the Committee, and the Committee understands, that the hourly rates set forth above are subject to periodic adjustments as disclosed in the Application and this Declaration. Bayard will advise the Committee of any rate increases once they are established and when any other rate change becomes effective during the course of Bayard's engagement.

17. In addition to the hourly billing rates set forth above, Bayard customarily charges its clients for all costs and expenses incurred, including telephone and telecopier charges, mail and express mail charges, hand delivery charges, document processing, photocopying and print copy charges, travel expenses, expenses for "working meals," computerized research, and transcription costs. Bayard has advised the Committee that it would charge such costs and expenses in accordance, and only to the extent consistent, with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any applicable U.S. Trustee guidelines.

18. Bayard has not received any retainer from the Debtors, the Committee, or any other entity in these cases. Other than set forth herein, there is no proposed arrangement to compensate Bayard. Bayard has not shared or agreed to share (a) any compensation it has

⁴ Bayard has national practices in commercial bankruptcy, corporate litigation, intellectual property litigation, entity law, and commercial transactions. The hourly rates reflected in the ranges disclosed in the body of paragraph 14 and in the Application are Bayard's standard hourly rates for engagements in those practice areas. In addition, Bayard has a full service regional-based practice in areas including, among others, insurance law and personal services such as familial and estate matters. While Bayard generally charges its standard hourly rates in its regional practice areas, occasionally certain Bayard attorneys will agree to reduced rates for those representations. Bayard also occasionally accepts representations with alternative fee structures, such as contingent, mixed-contingent, flat fee, and blended-hourly.

received or may receive with any other party or person, other than with the partners and associates of Bayard, or (b) any compensation another person or party has received or may receive.

19. The U.S. Trustee has adopted the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases* (the “UST Guidelines”). Bayard intends to make reasonable efforts to comply with the UST Guidelines. Bayard also intends to work cooperatively with the U.S. Trustee to address any concerns it may have related to Bayard’s Application and to respond to any requests for additional information related thereto.

20. Pursuant to Part D.1 of the UST Guidelines, Bayard is seeking employment as co-counsel to the Committee and hereby provides the following responses set forth below:

Question	Answer	Further Explanation
Did you agree to any variations from, or alternatives to, your standard or customary billing arrangements for this engagement?	No.	N/A
Do any of the professionals included in this engagement vary their rate based on the geographic location of the bankruptcy case?	No.	N/A
If you represented the client in the 12 months prepetition, disclose your billing rates and material financial terms for the prepetition engagement, including any adjustments during the 12 months prepetition. If your billing rates and material financial terms have changed postpetition, explain the difference and the reasons for the difference.	N/A. Bayard did not represent the Committee during the prepetition period. For the avoidance of doubt, Bayard currently represents LTS Lohmann Therapy Systems Corporation (which is a member of the Committee) in certain unrelated, non-bankruptcy matters. Bayard’s rates in the unrelated representation of LTS Lohmann Therapy	N/A

	Systems Corporation are the same as the rates that it is charging the Committee.	
Has your client approved your prospective budget and staffing plan, and, if so, for what budget period?	No.	Bayard is in the process of formulating the budget and staffing plan, which has not yet been approved by the Committee. Bayard will provide a copy to the Committee and seek approval of the budget and staffing plan from the Committee soon.

21. Pursuant to Part F of the UST Fee Guidelines, Bayard is proposed to serve as co-counsel for the Committee with Akin Gump. Akin Gump has primary responsibility for the services disclosed in its retention application. To disclose the division of labor and to avoid unnecessary duplication of services, subject to the Court's approval of the Application, the services Bayard has rendered and may be required to render for the Committee in these cases, include, without limitation, the following:

- (a) in conjunction with Akin Gump, providing legal advice where necessary with respect to the Committee's powers and duties and strategic advice on how to accomplish the Committee's goals;
- (b) in conjunction with Akin Gump, assist and advise the Committee in its consultations and negotiations with the Debtors and the U.S. Trustee relative to the administration of the Debtors' chapter 11 cases;
- (c) drafting, revising, and commenting on documents as requested by Akin Gump and the Committee;
- (d) assisting Akin Gump, Province, and the Committee in analyzing the claims of the Debtors' creditors and the Debtors' capital structure and in negotiating with holders of claims and equity interests;
- (e) assisting Akin Gump and Committee in its investigation of the acts, conduct, assets, liabilities, and financial condition of the Debtors and their insiders and of the operation of the Debtors' businesses;

- (f) assisting Akin Gump and the Committee in its analysis of, and negotiations with, the Debtors or any third party concerning matters related to, among other things, the assumption or rejection of certain leases of non-residential real property and executory contracts, asset dispositions, financing of other transactions, and the terms of one or more plans of reorganization for the Debtors and accompanying disclosure statements and related plan documents;
- (g) in conjunction with Akin Gump, advising the Committee as to its communications to the general creditor body regarding significant matters in the Chapter 11 Cases;
- (h) in conjunction with Akin Gump, reviewing and analyzing applications, orders, statements of operations and schedules filed with the Court and advise the Committee as to their propriety and, to the extent deemed appropriate by the Committee, support, join, or object thereto;
- (i) in conjunction with Akin Gump, advising and assisting the Committee with respect to any legislative, regulatory or governmental activities;
- (j) in conjunction with Akin Gump, assisting the Committee in its review and analysis of all of the Debtors' various agreements;
- (k) in conjunction with Akin Gump, investigating and analyze any claims against the Debtors' non-debtor affiliates;
- (l) together with Akin Gump and to the extent necessary, appearing in Court and at any meetings of creditors on behalf of the Committee;
- (m) monitoring the case docket and coordinating with Akin Gump and Province on matters impacting the Committee;
- (n) participating in calls with the Committee;
- (o) handling inquiries and calls from creditors and counsel to interested parties regarding pending matters and the general status of these cases and coordinating with Akin Gump on any necessary responses; and
- (p) providing additional support to Akin Gump, Province, and the Committee, as requested.

22. By reason of the foregoing, I believe Bayard is eligible for employment and retention by the Committee pursuant to section 1103 of the Bankruptcy Code and the applicable Bankruptcy Rules, *nunc pro tunc* to September 29, 2019.

I declare under penalty of perjury that the foregoing is true and correct.

**DECLARATION OF BRENDAN STUHAN, ON BEHALF OF BLUE CROSS AND
BLUE SHIELD ASSOCIATION IN ITS CAPACITY AS CO-CHAIRPERSON OF
THE COMMITTEE, IN SUPPORT OF APPLICATION OF THE OFFICIAL
COMMITTEE OF UNSECURED CREDITORS FOR ENTRY OF AN ORDER
AUTHORIZING RETENTION AND EMPLOYMENT OF BAYARD, P.A.
AS EFFICIENCY COUNSEL TO THE OFFICIAL COMMITTEE OF
UNSECURED CREDITORS, NUNC PRO TUNC TO SEPTEMBER 29, 2019**

I, Brendan Stuhan, hereby declare, pursuant to 28 U.S.C. § 1746, as follows:

My name is Brendan Stuhan. I am over the age of 21 and am competent in all respects to make this Declaration. I am Assistant General Counsel at Blue Cross and Blue Shield Association and serve as Co-Chairperson of the Official Committee of Unsecured Creditors (the “Committee”) of Purdue Pharma and its affiliated debtors (collectively, the “Debtors”). Accordingly, I am in all respects competent to make this Declaration in support of the application of the Committee to retain Bayard, P.A. (“Bayard”) as efficiency counsel for the Committee *nunc pro tunc* to September 29, 2019 (the “Retention Date”). Except as otherwise noted, I have personal knowledge as to all the information set forth below.

¹ The Debtors in these cases, along with the last four digits of each Debtor’s registration number in the applicable jurisdiction, are as follows: Purdue Pharma L.P. (7484), Purdue Pharma Inc. (7486), Purdue Transdermal Technologies L.P. (1868), Purdue Pharma Manufacturing L.P. (3821), Purdue Pharmaceuticals L.P. (0034), Imbrium Therapeutics L.P. (8810), Adlon Therapeutics L.P. (6745), Greenfield BioVentures L.P. (6150), Seven Seas Hill Corp. (4591), Ophir Green Corp. (4594), Purdue Pharma of Puerto Rico (3925), Avrio Health L.P. (4140), Purdue Pharmaceutical Products L.P. (3902), Purdue Neuroscience Company (4712), Nayatt Cove Lifescience Inc. (7805), Button Land L.P. (7502), Rhodes Associates L.P. (N/A), Paul Land Inc. (7425), Quidnick Land L.P. (7584), Rhodes Pharmaceuticals L.P. (6166), Rhodes Technologies (7143), UDF LP (0495), SVC Pharma LP (5717) and SVC Pharma Inc. (4014). The Debtors’ corporate headquarters is located at One Stamford Forum, 201 Tresser Boulevard, Stamford, CT 06901.

This declaration is provided pursuant to Part D.2 of the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases* (the “Guidelines”) promulgated by the Office of the United States Trustee. I am informed by Bayard that the Guidelines require that any application for employment of an attorney under 11 U.S.C. §§ 327 or 1103 be accompanied by a verified statement from the client that addresses the following:

The identity and position of the person making the verification. The person ordinarily should be the general counsel of the debtor or another officer responsible for supervising outside counsel and monitoring and controlling legal costs.

The steps taken by the client to ensure that the applicant’s billing rates and material terms for the engagement are comparable to the applicant’s billing rates and terms for other non-bankruptcy engagements and to the billing rates and terms of other comparably skilled professionals.

The number of firms the client interviewed.

If the billing rates are not comparable to the applicant’s billing rates for other non-bankruptcy engagements and to the billing rates of other comparably skilled professionals, the circumstances warranting the retention of that firm.

The procedures the client has established to supervise the applicant’s fees and expenses and to manage costs. If the procedure for the budgeting, review and approval of fees and expenses differ from those the client regularly employs in non-bankruptcy cases to supervise outside general counsel, explain how and why. In addition, describe any efforts to negotiate rates including rates for routing matters, or in the alternative to delegate such matters to less expensive counsel.

Identity of Declarant

On September 15, 2019 (the “Petition Date”), the Debtors filed petitions with this Court under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. 4. On September 26, 2019, the U.S. Trustee appointed a committee of unsecured creditors pursuant to Bankruptcy Code section 1102(a)(1). The U.S. Trustee

constituted the Committee to comprise the following members: Blue Cross and Blue Shield Association; CVS Caremark Part D Services, L.L.C. and Caremark PCS Health, L.L.C.; Cheryl Juare; Kara Trainor; LTS Lohmann Therapy Systems Corporation; Pension Benefit Guaranty Corporation; Ryan Hampton; Walter Lee Salmons; and West Boca Medical Center. Thereafter, the Committee selected Akin Gump Strauss Hauer & Feld (“Akin Gump”) to serve as its primary counsel, Bayard to serve as its efficiency counsel and Province, Inc. to serve as its financial advisor. On October 4, 2019, the Committee selected Jefferies to serve as its investment banker.

As a member and co-chairperson of the Committee on behalf of West Boca Medical Center, I was directly involved in the Committee’s decision to retain Bayard as efficiency counsel to the Committee in these chapter 11 cases.

Steps Taken to Ensure Comparability of Engagement Terms

I have confirmed with Bayard that, while its billing rates vary from attorney to attorney based on such factors as the attorney’s seniority and position with the firm (*e.g.*, partner, associate), years of experience, and the demand for services in the attorney’s particular area of expertise, its billing rates do not vary as a function of whether the services performed relate to a bankruptcy engagement or a non-bankruptcy engagement.

The Committee has been informed that Bayard endeavors to set the hourly rates for their attorneys and paraprofessionals at levels competitive to those charged by firms with whom they compete.

Number of Firms Interviewed

On the Formation Date, the Committee interviewed several law firms which expressed interest in serving as lead counsel. During each interview, the Committee sought information with respect to each firm’s bankruptcy and non-bankruptcy billing practices, hourly rates, and experience. The Committee subsequently considered Bayard for co-counsel.

In selecting counsel to represent the Committee, the Committee considered potential counsel based on their expertise in the relevant legal issues and their familiarity with the Debtors and with restructurings in the Debtors' industry. Using these criteria, the Committee decided to retain Akin Gump as its counsel and Bayard as its efficiency counsel because of the firms' familiarity with the legal issues impacting the Committee and the firms' experience with complex, chapter 11 restructuring processes.

Procedures Established to Supervise Fees and Expenses and Manage Costs

I understand that Bayard will be using budgets and staffing reports for legal services to be provided to the Committee during this engagement. The Committee recognizes that in the course of a chapter 11 case, there may be unforeseeable fees and expenses that will need to be addressed by the Committee and Bayard. Therefore, the Committee recognizes that it is its responsibility to closely monitor the billing practices of its counsel to ensure that the fees and expenses paid by the estates remain consistent with the Committee's expectations and exigencies of these cases. The Committee will continue to review the invoices regularly submitted by Bayard and, together with Bayard, may periodically amend the budget and staffing plan as the cases develop to reflect changed circumstances or unanticipated developments. I further understand that Bayard and Akin Gump have discussed the division of responsibilities between the firms to ensure that all appropriate steps are taken to avoid unnecessary and wasteful duplication of efforts.

Based on the foregoing, the Committee is of the opinion that it is necessary and desirable to employ Bayard *nunc pro tunc* to the Retention Date, and that such employment is in the best interest of the Debtors' estates.

I declare under penalty of perjury that the foregoing is true and correct on this 4th day of November, 2019.
